## COMEBACK OF THE CLASSIC

Maserati's iconic GranTurismo has been re-engineered with a powerful and sleek look. It is a confluence of unparalleled comfort and exhilarating performance. Developed in Italy's Maserati Innovation Lab, it is available in three models: Modena, Trofeo, and an all-electric Folgore. It balances style and functionality with its interiors offering a fully digital, customisable take on the iconic Maserati clock. An advanced infotainment suite, immersive Sonus faber premium audio system, and a 100% electric powertrain further augment its exclusivity. The 3.0L V6 Nettuno Twin Turbo engine in Modena, 550 hp tuning in Trofeo, and the cutting-edge 800V electric architecture in Folgore redefine high-performance in the luxury grand tourer category.
